**Instructions for doing your competition labels. Labels must be 25mm x 50mm, with a front and back side.**

Craig McGregor  
Canterbury Mineral &  
Lapidary Club

The back side has your name and club. This is placed face down with your entry.

Section G  
Class 10

This side is face up with your competition entry.

Petrified Wood from Lesbos  
Island,  
Greece

You may do a similar sized label to identify the material of your competition entry, and is placed with your entry label.
